Red Light Cameras Removed from Six Intersections

Victorville, CA—Today six intersections with red light cameras have been deactivated through the City of Victorville. In May, the City Council approved the removal of the Red Light cameras at a number of locations.

The affected intersections include the approaches at the following intersections:

Bear Valley Road and Industrial Blvd. - S/B

Bear Valley Road and 7th Street - W/B

La Paz Road and 7th Street - S/B

La Paz Road and 7th Street - E/B

Palmdale Road and Amargosa Road - E/B

Palmdale Road and Park Avenue- W/B
